LARK CREEK RESTAURANT GROUP APPLAUDS EDUCATORS THE MONTH OF MAY WITH FOURTH ANNUAL "TEACHER APPRECIATION MONTH"

The First \$10.00 Spent by Bay Area Teachers and School Employees is Complimentary to Show Gratitude for Their Hard Work

SAN FRANCISCO, CA (April 19, 2011)—To thank San Francisco Bay Area teachers for the positive influence and crucial role they play in making sure every student receives a quality education, Lark Creek Restaurant Group will celebrate the fourth annual "Teacher Appreciation Month" throughout the month of May in 10 Bay Area restaurants.* For every teacher or school employee who presents their teacher or school employment identification at a participating restaurant, the **first \$10.00** spent is paid for by the restaurant, even if the bill is only \$10.00 (excluding alcohol, tax and gratuity).

"Teacher Appreciation month is a reward for teachers in response to all they do for our children on a daily basis," says Michael Dellar, co-founder, president and CEO of Lark Creek Restaurant Group, and father of two public school teachers. "Giving back is key to us at Lark Creek Restaurant Group; we understand the challenges teachers face especially given the decreases in budgets and want to say a big "thank you" for their dedication and hard work."

Every first week in May, the National Education Association kicks-off "National Teacher Appreciation Week," with "National Teacher Day," celebrated this year on May 3, 2011. The Lark Creek Restaurant Group's Teacher Appreciation Month coincides with this celebration to reinforce the importance of recognizing teachers. There is no limit to the number of times a teacher can visit a Lark Creek Restaurant Group restaurant, no limit to the number of teachers dining together and no minimum purchase required.
